Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure

Your health will be fine but in later years there may be a chance of diseases like prostrate glands and insomnia affecting you. Take early steps to offset such a contingency.

Your lucky days are Sunday, Monday, Tuesday and Thursday wheras Wednesday, Friday

and Saturday are inauspicious. The numbers that will turn out to be beneficial are 1, 2, 3, 4, 7 and 9; the ones you have to avoid are 5, 6 and 8. White, green and blue don't suit you; hence keep clear of them. Prefer yellow, red, orange and cream which suit you.

Aditi Harish

At the time of your birth, Leo Ascendant (Lagna) was rising with Leo Navamsa and Sagittarius Dreskana in the first Pad of Poorva Phalguni. This clearly establishes you will lead an excellent life, more so from the age of 28. Your best period will be between the ages of 28 and 32.

You will be on velvet for the greater part of your life. Most of your needs will be satisfied. You are blessed with a golden touch in that whatever you undertake will be a success.

One of your finest assets is you know how to get on with people. As you have the ability to invoke affection and admiration in others, you will have the benefit of their unstinted co-operation and your work will progress without a hitch. You lend a patient ear to the problems of all those who approach you and make an earnest effort to solve them.

You have another splendid talent. That is: You know how to impress your superiors and get close to the topmost authority, with the result you will get to occupy a powerful and lucrative post, like manager of a company or director of a corporation. At the same time, you have the knack of getting the best out of your subordinates. You will be a good leader.

You are clever and skilled in many arts. This enables you to devise ways and means of crushing any opposition to you. In any combat with your enemies, you will triumph.

Your impressive appearance attracts the opposite sex to you, like a magnet attracts iron filings. This could lead to your getting tempted to have a gay time, but better perish the thought, as it may disrupt your happy family life. You will have a loving spouse and dedicated children and an enjoyable home. Let it continue that way.

A problem with you is you are physically so active that you won't have adequate rest. Always on the move, attending to more than one job simultaneously, you will strain your nervous system very much. Consequently, you may, in later years, have problems connected with the heart, the spinal column and blood pressure. Learn to relax.

One thing you are always conscious of is about your and your family's dignity. You will never compromise on that and strive to maintain it, come what may.

The professions that suit you admirably are joining government service, entering transport business, hotel industry or photography.

Make sure to make orange, red and green your favourite colours, avoiding blue, white and black.

Numbers 1, 4, 5, 6 and 9 are your lucky digits. The ones that don't suit you are 2, 7 and 8.

The lucky days for you are Tuesday, Sunday and Thursday whereas Monday is average. The other three days are not too favourable as they will prove expensive.

Born under the Scorpio sign, you will be blessed with an impressive personality comprising a well knit, muscular body tending to stoutness, long arms and short, curly hair. The overall picture you present is that of a self-assured individual who brooks no nonsense from any quarter.

Since Scorpio denotes generative organs, you will have to be particularly careful, especially from the middle age.

You have two sides to your nature. You don't believe in cutting into others path unnecessarily, as you are primarily interested only in your own affairs. But if others try to get funny with you, then you will make them repent their actions by stinging like a scorpion. You are quick, shrewd and a keen individual. You have a penetrative mind and incisive judgement regarding men and matters. What can serve you best in your pursuits is your strong, forceful mind which has the ability to take its own decisions without having to rely on others guidance. You have very strong likes and dislikes. If you favour anything you will back it to the very last. But if you are averse to something, then you will spare no effort to demolish it. You will be a very good friend to a true friend, but a dreadful adversary to a foe. Since you lay great stress on enjoying sex, your image may be sullied.

You are prone to disease like insomnia and somnambulism. So take due precautions.

With one thing leading to another, you may face the possibility of permanent disablement. frequently, but when you do, you get alarmed over it even though you have tremendous recuperative power to get over it rapidly. Restrict your diet to vegetarian, avoiding liquor and cutting down on beverages.

Free, frank and outspoken, your nature goads you to be aggressive in pursuing an independent path. Pinning faith in hope for the realisation of your goals, you will go about your job with courage and confidence. But sometimes you act hastily and get irritated when the results are not up to your expectations. Then you start shouting at others, but fortunately your outbursts don't last long, as you cool down quickly. No doubt you like flattery, but you are not one to be carried away by it. Possessing good organising ability, you are suited for high administrative positions.

You are a great lover. You have an ardent desire to be in the company of the opposite sex and catch its eye. But this is only a facade, as in your heart of hearts you admire your spouse. This aspect will, however, have to be put across convincingly to your partner so that the family atmosphere is not upset.

If your health is badly affected, then no one else besides you will have to accept the blame for it. This is because the location of Venus in the first house shows distinct chances of your health getting spoilt by pleasurable pursuits and seeking delight from sexual orgies as well as keeping untimely hours chasing other forms of entertainment. Consuming all sorts of food, you may also damage your digestive organs. As it is there are indications of your old age being troublesome and full of worries. This will no doubt earn for you a good name but it could make old age difficult for you because of this so you should control this habit.

Never hesitating to spend to keep your prestige and honour, you are not economical even in difficult times. You simply must learn to keep your wallet closed until you reassess your financial decision.

Generally lucky in money matters there will be ups and downs in your fortunes especially in your youth. Too open handed at times you will find yourself short of funds while you need them.

Whenever you spend money it would be for a good cause and to help people, sometimes to the point of foolishness.

At times you may not spend money at all. It is at times like these that you can save money. Do be economical for the old age and maintain a bank position.

No major journeys are indicated in your chart and you may not even travel much even in your country unless forced by your spouse or friends. But this need not be a bad thing and is further proof of your stability.
